## LUI SLIM

The special mobile platform for  
**narrow spaces**

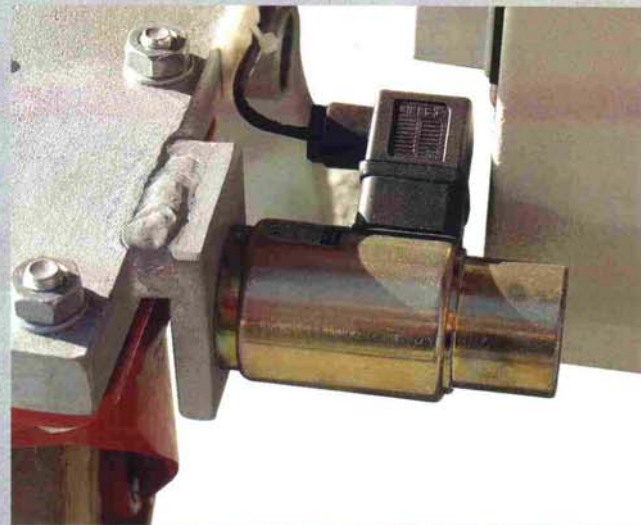

approved

CE

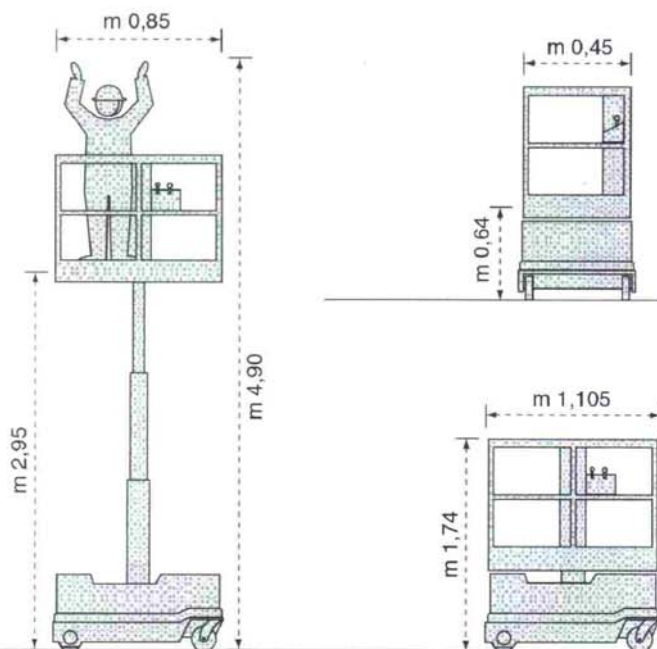

## Technical features

LUI SLIM is a mobile platform designed and constructed for a customer who needed to operate up to a height of 5 mt. in a space only 48 cm. wide. This machine is ideal for companies who need to operate in narrow spaces up to a height of 5 mt. It is recommended for warehouses, battery chicken farms, libraries, archives and all other places where it is necessary to work in a narrow space.

### Wheel Blocking Device

This device blocks the wheels and prevents them from moving while the platform is being used. It is indispensable when working near to obstacles such as walls, windows, furniture, shelves, etc. The wheels can be blocked using the control box.

### General dimension

Load capacity:	Kg. 120
Total weight:	Kg.
Mains power supply:	V.220 c.a.
n°1 battery:	24 V. 84 Ah
fast lift:	30 m/min.
slow lift:	9 m/min.
